Welcome to the very first edition of the Amacus newsletter. Reflecting our new brand, these publications will showcase our approach to keeping you up to date with all the latest news and developments at Amacus.

Take a look at our recently re-launched website at [www.amacustld.co.uk](http://www.amacustld.co.uk) for more information on any of the stories contained within this newsletter.

**What we do** **back to top**

For many years, we've been helping companies of all types and size grow their business through developing the skills of their people. We specialise in the delivery of innovative training solutions in:

- **Leadership & Management;**
- **Business & Personal Development;** and
- **Health & Wellbeing.**

We don't give you off-the-shelf training, we develop bespoke and innovative solutions (including accredited options) in order to maximise the returns for the customer.

Since 2008, Amacus have delivered the North East Better Health at Work Award on behalf of NHS South of Tyne & Wear in the Gateshead, South Tyneside and Sunderland areas.

Offered throughout the region, the Award provides local employers with invaluable support to help address health issues within the workplace. The Award has proven to be a resounding success with customers receiving significant business benefits as well as recognition for their efforts to improve the health of staff and the wider community.
